Watching Every Day, The Money Line, Rescue, Retire And Recycle

How a live app is watched every day, judged by one money line each month, and rescued, retired or recycled when the time comes.

Watching A Live App Daily

M09-L1 · About 6 Minutes

You can explain the daily, weekly and monthly checks that watch a live app, and when each one runs.

Watching A Live App Daily

M09-L1

A Live App Is Not Finished

Isla spent weeks helping a team launch Litterline, the licence and records hub for dog breeders.

Watching A Live App Daily

M09-L1

Stage 8 Is Called Operate

Stage 8 is Operate, and its room is called Radar.

Watching A Live App Daily

M09-L1

The Engine Refreshes Every 15 Minutes

Behind the factory sits the engine.

Watching A Live App Daily

M09-L1

The Daily Leak Probe At 06:40

The most important morning job is the leak probe, at 06:40 UK time.

Watching A Live App Daily

M09-L1

More Jobs On The Clock

The leak probe has neighbours on the clock.

Watching A Live App Daily

M09-L1

The Weekly Security Check

When an app goes live, it joins the weekly security check.

Watching A Live App Daily

M09-L1

Monthly Numbers And New Parts

Some checks run once a month.

Scripts Watch, People Decide

Notice who does the watching.

Recap

Watching A Live App Daily

- **Leak Probe Runs Daily At 06:40 UK Time**
- **Weekly Security Check: Live Pages, Sign-In, Leak Probe**
- **Engine Refreshes The Picture Every 15 Minutes**

WHY IT MATTERS

A Live App Serves Real People Every Single Day

Quick Check

Watching A Live App Daily

At what time does the daily leak probe run?

A 05:20 UK time

B 06:10 UK time

C 06:40 UK time

D 07:30 UK time

The Money Line

M09-L2 · About 6 Minutes

You can read a monthly money line and explain when the Return rule and the Retire question come in.

The Money Line

M09-L2

Pages Of Reports, No Answer

Sam looked after the numbers for Trimtable, the booking and client desk built for groomer Juno Platt at The Tidy Paw.

The Money Line

M09-L2

£

One Line Each Month

This is called the money line.

The Money Line

M09-L2

A Person Writes The Line

Who writes the money line?

The Money Line

M09-L2

Reading A Losing Month

Let's read one.

The Money Line

M09-L2

Two Losing Months Running

Here is the pattern it watches for.

The Money Line

M09-L2

The Return Rule, R02

There is a second money rule, called Return, ruling R02.

The Money Line

M09-L2

Return Is Still A Manual Check

Return is not automated yet.

The Money Line

M09-L2

A Record, Not A Promise

One last point matters a great deal.

- **Return R02 Guards The Next Invest**

WHY IT MATTERS

One Honest Line Beats A Pile Of Charts

Quick Check

The Money Line

What does the monthly money line record?

A Sign-ins and page views

B Money in and money out

C The number of tables

D Leak probe results

Rescue, Retire And Recycle

M09-L3 · About 7 Minutes

You can follow a live app through Rescue, Back to Operate, Retire, Recycle, Recovery and Re-imagine.

Rescue, Retire And Recycle

M09-L3

An Incident Before Breakfast

Rory kept an eye on Stayproof, the inspection pack used by Hollin Lane Kennels.

Rescue, Retire And Recycle

M09-L3

The Trouble Gate Is Automatic

Three gates belong to the lap rather than the road: Trouble, Back to Operate and Retire.

Rescue, Retire And Recycle

M09-L3

A Fix Capped To The Break

The fix re-enters the road at the Slot check, which sits inside the Invest gate.

Rescue, Retire And Recycle

M09-L3

Fast, But Still Approved

Fast does not mean unchecked.

Rescue, Retire And Recycle

M09-L3

Back To Operate

Once no incident is open, the engine puts one question to a person, and this is the Back to Operate gate: is the fix proved live?

Rescue, Retire And Recycle

M09-L3

Retire Is The Only Way Out

Retire is the last lap gate, and the only way an app ever leaves the factory.

Rescue, Retire And Recycle

M09-L3

Recycle Sends Parts To Reserve

Retiring is not throwing away.

Rescue, Retire And Recycle

M09-L3

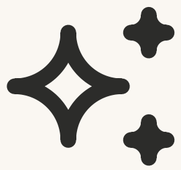

Recovery Holds Killed Ideas

Not every idea reaches the lap.

Rescue, Retire And Recycle

M09-L3

Re-imagine Starts A New Journey

There is one more move, called Re-imagine.

Recap

Rescue, Retire And Recycle

- **Trouble Gate Moves A Broken App To Rescue**
- **Retire Is The Only Way Out; A Person Decides**
- **Parts Go To Reserve; Killed Ideas Go To Recovery**

WHY IT MATTERS

Fast Fixes And Clean Endings Keep The Factory Honest

Quick Check

Rescue, Retire And Recycle

What moves a live app into Rescue?

A. A person's vote each Friday

B. Two losing months running

C. A new feature idea

D. An open incident tagged to the app
