Filling In The Idea Form, Where To Go Next

A worked walk through the Litterline idea form, then your own idea, the Vision 2029 picture and the honest next steps.

Filling In Your First Idea Form

M10-L1 · About 7 Minutes

You can fill in an idea form, using the fictional Litterline as a worked example.

Filling In Your First Idea Form

M10-L1

A Sticky Note And A Blank Form

Ava had followed the whole course, and she had an app idea of her own written on a sticky note by her desk.

Filling In Your First Idea Form

M10-L1

Four Doors Into The Factory

Every idea enters the factory through one of four doors.

Filling In Your First Idea Form

M10-L1

Name First, Then The Brief

The form starts with a short name: Litterline.

Filling In Your First Idea Form

M10-L1

Group 1: Businesses, Six Codes

Now the 20 codes, in four groups.

Filling In Your First Idea Form

M10-L1

Group 2: Who Signs In

Group 2 is Who Signs In.

Filling In Your First Idea Form

M10-L1

Groups 3 And 4: Customers, Public

Group 3 is Customers.

Filling In Your First Idea Form

M10-L1

Kill Check, Verdict, Data Role

Next come the three kill questions.

Filling In Your First Idea Form

M10-L1

Now Fill In Your Own

Your turn.

Recap

Filling In Your First Idea Form

- **Brief Is Three Answers: What, Who Pays, Pain**
- **Six Codes Required, Fourteen May Say Not Yet Known**
- **No Kill Answer And SEN Below 2 Means PASS**

WHY IT MATTERS

A Clear Form Gives Your Idea A Fair Hearing

Quick Check

Filling In Your First Idea Form

Which three answers make up the brief?

A Name, logo and colour

B What it is, who pays, and the pain

C Price, domain and funnel

D Tables, walls and tests
