Sales Page, Domain And Funnels

M08-L1 · About 6 Minutes

You can explain what a domain, DNS and a funnel are, and why a reseller's brand is never on a free plan.

Sales Page, Domain And Funnels

M08-L1

01

A Free Button That Was Refused

He was helping to put together a page for Northvale Canine Society, the club that resells Litterline to its members under its own name.

Sales Page, Domain And Funnels

Stage 7 Happens On The Runway

It happens in the room called Runway, which is tagged Brand, because this is where the app meets the outside world under each brand's name.

Sales Page, Domain And Funnels

M08-L1

The Sales Page And Launch Price

The sales page explains what the app does, who it is for and what it costs.

Sales Page, Domain And Funnels

M08-L1

Domain And DNS In Plain Words

A domain is the name of a website, the words people type to find it.

Sales Page, Domain And Funnels

M08-L1

Funnels Lead People Step By Step

A funnel is a short series of pages that leads a visitor from a first look to signing up or paying.

Sales Page, Domain And Funnels

ClickFunnels Holds Contacts, Not The Keys

The simplest route is a built-in connection that sends sign-ups and tags across.

The Plan Travels With The Click

Each button on a landing page carries both the brand and the plan inside its link.

A Reseller Brand Is Never Free

Free is decided per brand offer, never for the whole app.

Quick Check

Sales Page, Domain And Funnels

What does DNS do?

A It designs the sales page

B It takes payments at checkout

C It points a domain name at the server where the app lives

D It tests every table for leaks

The Launch Walk And Boosts

M08-L2 · About 6 Minutes

You can name the checks that come before the Launch gate and explain why the weekly boost is still only proposed.

The Launch Walk And Boosts

M08-L2

It Worked On The Laptop

She tried the new Stayproof site on her laptop, signing up as a brand-new kennel worker, and everything worked.

The Launch Walk And Boosts

M08-L2

Leak Test Every Table, Two Accounts

Before launch, the leak check runs one last time, and it is strict.

Quick Check

The Launch Walk And Boosts

Why does the launch walk include a phone?

A **Phones are faster to test on**

B **The sales page is only shown on phones**

C **Phones never need a sign-in**

D **Email links opened on a phone can break a journey that works on desktop**
